On the above date and time HQ received a NLETS message from the FBI in reference to 6 Runyan Ave. The message is attached in resources and it references an incident that occurred on 10-20-21. Out of abundance of caution, Ptl Velasquez and I responded to 6 Runyan to ensure everything was in order. Upon arrival the home appeared to be unoccupied and a perimeter check was conducted. No contact was made and nothing suspicious was noted. Detective Liptak was notified of the message and will conduct an appropriate follow up with the reporting party.
